

# Poster Contest Winners 2013

## Where Does Your Water Shed?

The annual National Conservation Poster Contest provides kindergarten through 12th grade students with an opportunity to share their thoughts about soil, water and related issues. It also highlights the educational efforts of the local soil and water conservation districts.

Thirty-seven counties in Missouri participated in this year's event, sponsored by the Missouri Association of Soil and Water Conservation Districts. These posters were selected as the state winners because they best convey the idea of the theme, Where does your water shed. The posters then advance to the national competition, sponsored by the National Association of Conservation Districts.

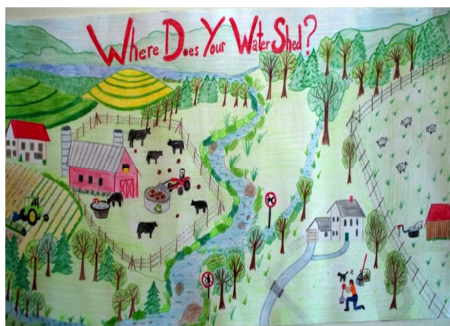

**Class K-1**  
**Lily Woodward**  
1st Grade  
Crane R-III  
Stone County

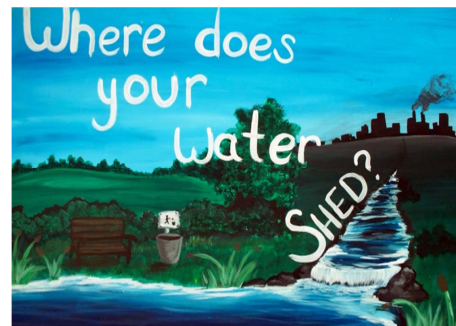

**Class 2-3**  
**Trinity Davis**  
3rd Grade  
Truman Elementary  
Vernon County

**Class 4-6**
